"Today as I prepared worship for church on Sunday I sang "Your Love endures forever, it never gives up". I started crying and grieving like Robin said I needed. I grieved why I felt my dad never perfectly loved me and his love would seem to run out. This led me to write a letter of explanation, forgiveness and perfect love to my Dad. I am going to ask my dad to help me learn how to ride a bike. – Children's Pastor

"I contacted Robin after having secular counseling that didn't work for me. I am sleeping better now and slowing working through the issues in my life." – Ministry associate

Ezekiel 47:8-9

“Then he said to me, ‘This water flows toward the eastern region, goes down into the valley, and enters the sea. When it reaches the sea, its waters are healed. And it shall be that every living thing that moves, wherever the rivers go, will live. There will be a very great multitude of fish, because these waters go there; for they will be healed and everything will live wherever the river goes.’”

What Is Soul Care?

It is God’s divine touch upon His child in the way God sees fit through one-on-one care. Through intercession and discernment, he leads one to discover the reasons why their lives continually come to a standstill, frustrating their relationships, personal lives, ministry and relationship with God.

Through the use of the word of God, the Holy Spirit can resolve emotional trauma, allowing freedom from unhealthy connections with people and negative expectations. God can bring one into a better understanding of the lies they have embraced, believed and walked in, due to pain that has been ignored or stuffed away. In Soul Care, God often helps people discover the reasons for their fear and anxieties and how to find relief, forgiveness and freedom.

Soul Care teaches one how to live according to God’s original design. God has ordained prayer to heal the heart, for it is here that God meets His child. God desires His children to walk in wholeness and freedom.

Robin meets individually with people or via Skype. There is a suggested starting donation of \$25 per session. Commitment to do homework such as reading, journaling and working through a workbook is often part of this healing process.

All people are respected, and sessions are kept confidential. For more information contact Robin at: robin.pureforgod@gmail.com or 315.777.1879.

Brad and Robin Ringer, Co-Founders of Pure For God Ministries, Inc.

“We lead people, especially young ministry leaders to cultivate a healthy heart before God. Brad loves to present the Gospel while Robin meets individually with people or via Skype, ministering with compassion and sensitivity. They both enjoy smaller group retreat settings where the Holy Spirit is given time to work in people’s hearts. Their ministry takes them to many places within the U.S., England & Germany.”
